- Ventilator Management\*

\*Denotes additional lectures that may be presented depending on local protocols and policies, time availability and request.

**Date:** March 8-9, 2012

**Location:**

Sponsored by - Memorial Hospital of South Bend  
Elkhart General Health Education Center  
2222 Rieth Blvd. Goshen IN

**“This course was awesome! I’ve been a paramedic for 10 years and learned more in 2 days than years of attending other CE classes!”**

**Rick Ables, EMT-P, San Diego, CA**

**“This class was incredible. I would recommend this class to everyone.”**

**Joseph Paul, EMT-P Oneida, NY**

**“Practice time to work with the equipment was invaluable!”**

**Paul Esachina, EMT-P Blairsville, PA**
